

HOMework FOR PARENTS

Thank you for attending your child's Pupil Progress Presentation. In recognition of the hard work your child has put into their learning so far this year, please write them a short letter to let them know your thoughts and how proud you are of their achievements.

Please send the letter back to school in a sealed envelope no later than this coming **Thursday 24 August** to ensure your child does not miss out on sharing their letter.

Some ideas to write about are:

- What you think your child did best and why
- What you are most proud of and why
- What you found the most interesting

Just write from the heart, the children love reading your letters. *(An example can be found on the back of this notice - of course your letter can be hand written)* 😊

On Friday, the children will gather together in their class and be encouraged to openly share the letters they have received with each other in class. This is an important part of celebrating their learning. (In the case of younger students, Teachers will read the letter to the child and class)

Thank you for playing such an important and supportive part in your child's education.

Dear Debbie

Thank you for inviting me to your PPP. I enjoyed spending time with you and looking at all your hard work. You seemed very grown up when you introduced me to your teacher.

I am very proud of the awesome work you have completed. You have learnt so much this year. Your writing skills are wonderful and I really enjoyed the character description you wrote about your dad.

Maths has always been interesting for me and I enjoyed seeing your maths books. You are very smart being able to do all those different maths activities.

I was very impressed with your reading. You read so confidently and made the book sound really interesting.

Your piece of art on the wall was beautiful. I can't wait for you to be able to bring it home.

Dad and I think you are very clever and we are so proud of how hard you work. Keep up all the great work.

Lots of love

Mum
