This pack will be made up and delivered to your child's class for the Teacher to sort and label. If you purchase these items elsewhere, the Teachers request you purchase the Warwick 3B1 and 1A5, trial and error over the years has shown that this brand uses better quality paper and the covers do not fall apart.

Students in the Junior Syndicate classes are not required to purchase all their stationery requirements.

Certain items used by students sit on their "group" table, these items are 'shared and replenished' by the teacher as required.

We ask that you pay an annual fee of \$35.00 (half year \$15) to cover this cost.
