Matakana School Gala

Saturday, 21st October 10am - 2pm

The Matakana School Gala is coming up and what better time to have a spring clean! Spring is a great time to go through all your old clothes, books, toys and games and anything else hanging around the house in need of a new home! If you can, it would be great if you could drop the goods already sorted, bagged and labelled - see sort categories below. This will help reduce the mammoth amount of time needed to sort it all out prior to the gala. We would also love any large boxes and plastic bags you can spare.

**We welcome your goods from
Monday 11th September 10am-4pm**

Please deliver items to the Hall (behind the swimming pool)

Please donate goods that are in a sale-able condition - it costs us thousands each year to dispose of items before and after gala day that are clearly not able to be sold.
