4.00pm – 5.00pm \$10
4.00pm - 6.00pm \$15

School Holiday Programme \$65 per day 9am – 3pm: Extra hours needed our standard pricing applies
We run programmes over the Christmas and all 4 School term Holiday's. As most children are so busy throughout the term we like to make the holiday time just that... a holiday. Depending on the children that are booked in and their likes, we run the programme to inspire them, while feeling relaxed and fully rested. From time to time I will add an extra flare into the mix with a project of some kind, Movie making, Art and Crafts, dress making and the likes.

Cooking in the morning, serves as there afternoon tea and slip a movie in with popcorn in their chill out time. (You will need to provide their lunch and drink bottle.)

Apart from the School Holiday Programme, note that all of the above includes the following:

Breakfast consists of cereal, porridge, toast, drink and piece of seasonal fruit.
Afternoon tea after once child's own food in lunch box is eaten, a sandwich, piece of seasonal fruit / Celery and carrot sticks. Summer treat (ice block on hot day's)
Drinks: Hot Milo (winter) and Always water.
No food to be given after 4pm unless your child is going to a sport programme when they leave my care.
